MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Executive Assistant to the DDCI
SUBJECT: Follow-Up on DDCI Trip to CENTCOM Headquarters

1. Following up on his subject visit, the DDCI would like you to ensure that whenever a crisis like the one that took place in Libya/Sudan in February 1983 occurs, you automatically send someone to the NMCC to obtain "blue information" so that the "red information" that you are reporting in publications, etc., can be put in the right context and make sense. If you or Dick Kerr can attend the CENTCOM briefing that [redacted] has arranged for Tuesday, 21 June, at 10:00 a.m., this will all fall into place for you.

MEMORANDUM FOR: Deputy Director for Operations
 FROM: Executive Assistant to the DDCI
 SUBJECT: Follow-Up to the DDCI's Visit to CENTCOM

Following up on your recent visit to CENTCOM, the DDCI would appreciate your doing the following:

-- Initiate the necessary paperwork to get a CENTCOM liaison officer here. While we can provide him an office if they would like us to, he will be "accredited to CIA" on a part-time basis. He can use the rest of his time to touch base with other intelligence organizations around town. General Kingston or whoever he designates would be his supervisor. ~~Whether you put this new officer in IAD or PCS is up to you.~~ If you put him in PCS, however, the DDCI wants you to ensure that he does not become involved in PCS's dealings with the Pentagon.

-- Once a replacement is tapped into place for [redacted] ensure that that person would accompany the CIRC on any of his travels to interface with Chiefs of Stations.
